Dear Prof. Chiu,

On behalf of the Wu Jieping Medical Foundation, I would like to take this opportunity to express my sincerest gratefulness to you for your great supports on and contributions to the 4<sup>th</sup> International Forum on Frontiers in Urology (IFFU) held from 23 to 26 April 2015 in Beijing.

The participants were excited to learn about design and development of a holistic urological department and new advances in RCC medical treatment options from your impressive and inspiring lectures and interactions with you. Your experience and skills would be of great benefits to both the participants and Chinese faculty.

Again, thank you so much for all your efforts on and contributions to the 4<sup>th</sup> IFFU and Wu Jieping Medical Foundation.

I look forward to more collaboration with the UAA in future.

Sincerely yours,

Sincerely yours,  
Xiao-Meng  
President  
Wu Jieping Medical Foundation
